Work Experience 5.5+ Years

- * July 2023 – February 2025

WordPress Developer at Brandconn, Noida (UP)

At this organization, I designed and developed innovative WordPress websites using Divi, ACF, and Elementor, creating custom themes and plugins while optimizing performance. Proficient in PHP, HTML, CSS, JavaScript, and Canva, I build responsive, high-performance websites that elevate user experience and engagement. Open to exciting opportunities!

- * December 2020 – January 2023

Sr. Web Developer. at Rebootdigital, Noida(UP)

I began my journey as a Web Developer and swiftly progressed to Senior Web Developer within a year. With expertise in Divi, Elementor, and ACF, I've built 100+ WordPress websites, mastering custom development, responsive design, and performance optimization to deliver seamless, visually engaging user experiences.

- * February 2019 – October 2020

Trainee Developer at Dream Reflection Media, Noida

I started as a Trainee Developer to gain hands-on experience in web development and, within six months, earned a promotion to Web Developer. Here, I mastered WordPress, HTML, CSS, Bootstrap, PHP, ClickFunnels, Kajabi, HubSpot, JotForm, and Photoshop, expanding my technical expertise and creativity..
